

# EZRES®

Residential Water Care Products

**E-Z POOL** is a complete proactive water care solution in a single bucket. Strong long life oxidizer, algaecide, clarifier, stain & scale inhibitors and balancers keep chlorinated pools clean clear & trouble-free.

## E-Z POOL®

**PEPPER** is a special blend, formulated to work specifically with the unique demands of salt-water pools. Containing a strong long life oxidizer, clarifier, and stain & scale inhibitors PEPPER protects water quality and expensive salt water equipment.

## PEPPER®

**EZ SPA** paired with your sanitizer of choice takes Total Care of your spa. Keeps your spa water: foam free, smell free, stain free, scale free, clear, balanced, & oxidized and easy to maintain.

## EZ SPA®

**Revive!** utilizes a multi-function formula that cleans & clarifies pool water by removing phosphates, stray metals, organics, chlorine demand, carbonates & plaster dust. Revive! is chlorine resistant up to 25 ppm, and perfect for troubleshooting, start-ups or weekly maintenance. The broad action formula of Revive! saves time, money and frustration.

## Revive!®
