

PEPPER[®]

The perfect ingredient for **salt water pools**.

Got Salt? Get PEPPER.[®]

Or:

Six reasons why your salt water pool needs PEPPER®.

- 1) Extends the life of the chlorine generator
- 2) Improves sanitizer effectiveness
- 3) Greatly enhances water clarity
- 4) Limits troublesome pH fluctuations
- 5) Prevents scale buildup on the generator cell, pool equipment and surfaces
- 6) Helps maintain low phosphate levels

PEPPER® is the perfect ingredient for salt water pools. This special blend of select ingredients is formulated to work specifically with the unique demands of salt water pools.

Adding PEPPER to your pool will enhance water quality, protect pool equipment and reduce overall maintenance.

PEPPER is compatible with all pool surfaces and equipment, plus you can swim immediately. After the initial application, most salt water generators can be operated at lower settings.

Use just twice a month to optimize your salt water system.

APi is committed to providing the highest standard of customer service in the industry. Our goal is 100% customer satisfaction.

To accomplish this goal, we must, without exception, always strive to meet or exceed our customers' expectations.
